Dear Parents of Year 5

PDET Magical Maths Day

We are pleased to announce that Peterborough Diocese Education Trust have organised another Year 5 Magical Maths Day for PDET schools. Our Year 5 children will be attending on Tuesday 26 January 2027 at Rock UK Frontier Centre, Irthlingborough. This enrichment day is an annual PDET event and is great fun, the children get to take part in lots of maths-based activities with children from other PDET schools.

We shall be leaving school promptly at 9.00am and we will ask children to arrive at school at 8.40am.

We will return to school for home time as normal. Your child will need their water bottle, a packed lunch and extra snacks/drinks for throughout the day. Children are to wear their school uniform/footwear with a waterproof coat. Children will travel to and from the event by coach and the cost for this is paid by our school.

We are very much looking forward to this Maths Day, it is always a wonderful opportunity for PDET schools to come together and work together.

Yours sincerely

Mrs Lesley Middleton
Principal
