Weekly Newsletter— 13 November 2026

Our Year 1 children have been busy creating beautiful poppy artwork in recognition of Remembrance Day.

We are so proud of their thoughtful work as we remember and honour those who have served and sacrificed for others.

Worship—Value—Respect

Remembrance THE POPPY OF REMEMBRANCE

John 15:13 Remind the children that we will have two minutes silence tomorrow.
Explore the symbolism of the poppy in an age-appropriate way in your classroom.

People see the poppy in a variety of ways:

It is the symbol of a charity fund that still cares for those who were bereaved or injured in wars.
It is also a way of remembering the sacrifice made by many who fought against those who would take away democratic freedoms from our world.
It is a sign of hope, inspired by the poppy fields in Belgium, where the flowers grew on the very land that had, during the First World War, been battlegrounds. It can also be seen as a 'vote for peace'.

Year 5 Highlights

As part of our studies, Year 5 have been very busy. In DT they have been testing and producing Greek Food which included: flat breads, salads, fruit kebabs and Tzatziki. They all tried new flavours and textures even if they didn't like it!

In addition to this, as part of our science topic of Earth and Space, on Monday the children visited the National Space Centre in Leicester. They investigated the Rocket Tower and learned about the Space Race. They also looked at the exhibits about being an astronaut and our Solar System. It was a super interactive day; the children were a credit to the school.
